

Start Paying Less For Your Job Postings.

If you are posting your job advertisements to the same job boards regularly, there's an easier and more cost-effective way to purchase them! JobTarget Media Services can provide you with a free audit of your postings in the Marketplace and negotiate a bulk media contract to save you money.

Not only can we help you lower your spend, but Media Services will help manage your account, make recommendations to optimize job advertisement performance, and be your advocate if troubleshooting is necessary.

Check out the benefits of using JobTarget Media Services to buy bulk posting packages!
